If you do not have a will, this presentation will cover the basics, and basically **Everyone Needs One!** A will brings peace of mind. Through a will, you can:

- ❖ Ensure that your wishes are honored after your death.
- ❖ Explain how your assets should be distributed.
- ❖ Select the person who will serve as executor.
- ❖ Designate the guardian(s) for any minor children (under age 18).
- ❖ Provide for a family member with a disability.
- ❖ Reduce death taxes & estate administration costs.

Have you ever wondered what happens if you die without a will? Don't let it happen! Attorney Reed is a frequent Arc presenter on topics related to estate planning. This is an informal presentation with time for Q&A.

**Come with questions and leave with answers!**
